

# SkyLearner

## PPL/LAPL theory

### course being held in Northern Ireland.

**10-week course**

**6 Feb - 12 May  
2023**

*SkyLearner Aviation are proud to announce a full PPL/LAPL theory course to be held in Carrickfergus. As an ATO (Approved Training Organisation) we cover the entire syllabus to the requirements laid out by the UK CAA (Civil Aviation Authority). Our course includes:*

- 3 months SkyLearner platform subscription (interactive content, practice papers, solution bank)
- Presented over 10 weeks
- CAA exams in all 9 subjects (all fees included for first attempt)
- R/T (radiotelephony) course and radio oral exam

**This is a 10 week course that will be held in the evenings to suit those with full-time jobs or studying:**

Mon to Wed at the SkyLearner training facility in Carrickfergus (*Walking distance to Bus & Train*). Includes tea and coffee and free secure parking.

**6:00 PM to 10:00 PM**

Knowledge checks and UK CAA exams included.

Those of you who are unable to travel from mainland UK or further afield can join online in a unique hybrid setting which will be managed by an online liaison facilitator to ensure your experience is as close to being there as it can be.

**Enroll today for only £1 266\***

*£99 non-refundable deposit to secure your place.*

*\*Payable over 3 months at £389 per month.*
